## SUMMARY

---

Informatics graduate (S.Kom.) from Universitas Mulawarman, enthusiastic about technology with a focus on web development, data/analytics, and software engineering. Experienced in building a KPI monitoring system during an internship at PT PLN Nusa Daya, plus web development, UI/UX design, and mobile apps through academic and organizational projects. Completed Bangkit Academy 2024 (Android Development path) and comfortable working in cross-disciplinary teams (Mobile, Machine Learning, and Cloud Computing).

## EDUCATION

---

**Bachelor of Informatics (S.Kom.), Universitas Mulawarman** 2022 – 2026

- GPA: 3.77 / 4.00

## EXPERIENCE

---

**Web Developer (Internship) – PT PLN Nusa Daya** 2025

- Built StratView, a multi-division KPI monitoring system, from scratch.
- Automated Organizational Performance Value (NKO) scoring, replacing manual tiered reporting.
- Delivered real-time dashboards, long-term (RJPP) program monitoring, and an executive summary for the board.
- Tech: Laravel, MySQL, Bootstrap, ApexCharts.

**Bangkit Academy 2024 – Android Development Learning Path** 2024 – Completed

- Completed an intensive learning program focused on Android app development.
- Finished modules in Kotlin, Android Studio, UI/UX design, and cloud integration.
- Collaborated with peers from the Machine Learning and Cloud Computing paths.

**Laboratory Assistant, Universitas Mulawarman** 2024 – Completed

- Mentored students during practicum sessions.
- Helped students understand the concepts and techniques taught.
- Helped students complete their practicum assignments.

**Student Interest & Talent Division, Association of Informatics** 2024 – Completed

- Organized events, seminars, and workshops to develop students' interests, talents, and knowledge.
- Facilitated collaboration among students, lecturers, and industry practitioners to drive innovation in IT.

**Household Administration, Association of Informatics** 2023 – 2024

- Supported various administrative and operational activities of HIMA Informatika.
- Arranged schedules for meetings and organizational events.

**Secretary of Creativity & Entrepreneurship, PD IPM Samarinda** 2022 – 2023

- Arranged schedules for meetings and events related to creativity and entrepreneurship.
- Compiled, edited, and distributed reports, presentations, and other documents as needed.
- Supported creative and entrepreneurial projects, including data collection, research, and analysis.
